Dear Parent or Guardian,

This year, the DSBPC is pleased to announce an exciting opportunity we are providing to all seniors this fall. All seniors will have the opportunity to take the ACT on October 6, 2020 during the regular school day. This test is being offered at no cost to students. The ACT is a standardized college entrance exam that is accepted by many colleges in the U.S. and world-wide. It assesses the knowledge and skills your child is learning in the classroom—the same skills that are key to success in college and career.

Typically, the test is only offered on weekends but we are providing this opportunity during the school day so that your child will be comfortable by testing in a familiar place and so that parents and students are free from the burden of arranging transportation to the testing site.

You may visit [the ACT website](#) for more information, including practice tests and sample questions.

This is a great opportunity for our students and we are pleased to be able to offer it all seniors. **If you would prefer your student not participate in this event, please notify the testing coordinator, Royce Simonds at rsimonds@pasco.k12.fl.us**

Thank you,

Royce Simonds

HHS Testing Coordinator
