Make-up Policy:

- ❖ Only offered to students that were absent when the assignment was assigned.
- ❖ Students have two days to make up the work for each day they were absent for FULL credit.
- ❖ After two days the work becomes late work and you follow the late-work policy.

Late Work Policy:

- ❖ If a student is in class when an assignment is given, but fails to turn the work in on the due date, the student may turn it in late for no more than 50%.
- ❖ All late work is due no later than two days prior to the summative.

Summative Retake Requirements:

- All formative assessments need to be completed in order to qualify.
- All students are eligible to retake a summative assessment one time provided the student complete the remediation and has no missing grades for that summative unit.
- All assignments must be done in order to be eligible for the summative retake, even if they aren't graded (i.e. homework, class activity).
- No retakes will be offered for summative assessments that fall during the last week of the quarter.
- Remediation and Retakes must be completed within a week of the original Summative Assessment.
