

What is AVID?

AVID, Advancement Via Individual Determination, helps schools and teachers make learning more meaningful and engaging. Research tells us that the most powerful influence on academic achievement is a caring teacher. When students care and connect to both their learning and their teacher, they will succeed!

In the HHS AVID Elective class, students will...

- Receive instruction in academic and social skills not targeted in other classes
- Focus on developing writing, reading, research, and speaking skills
- Learn organizational strategies, note-taking, and study techniques
- Develop critical thinking and inquiry skills
- Work on time management, goal setting, leadership, and collaboration skills
- Get academic help with in-class tutorials
- Receive college exposure/knowledge (all grades) and assistance with college, financial aid, and scholarship applications (12th grade)

Proven Achievement. Lifelong Advantage.

75% of AVID students are from a low socioeconomic status background, and 80% are underrepresented students. Nevertheless, they outperform their peers in crucial metrics nationwide.

94%

complete four-year college
entrance requirements

90%

who apply are accepted into
four-year colleges

85%

persist into the second year
of college
