2023-2024 Parent and Family Engagement Policy and Plan for Shared Student Success

Revised August 2023

What is Title I?

Hudson High School is identified as a Title I school as part of the *Every Student Succeeds Act* (ESSA). Title I is designated to support State and local school reform efforts tied to the challenging State academic standards to improve teaching and learning for students. Title I programs must be based on the effective means of improving student achievement and include strategies to support family engagement. All Title I schools must jointly develop with parents and family members a written parent and family engagement policy.

School Plan for Shared Student Achievement

What is it?

This is the plan that describes how Hudson High School will provide opportunities to improve family engagement to support learning. HHS values the contributions and involvement of parents and family members to establish an equal partnership for the common goal of improving student and achievement. This plan describes different ways that HHS will support family engagement and how parents can help plan and participate in activities and events to promote student learning at school and at home.

How is it revised?

Hudson High School invited all parents to attend our annual Title I parent input meeting last spring to review and revise our parent engagement plan, budget, compact and schoolwide plan. Additionally, parent input and comments regarding this plan are welcome during the school year, please call or email Hudson High. All parent feedback received throughout the year and from the parent input meeting will be used to revise this plan for the next school year. We also distribute an annual survey digitally on our Parent Involvement Newsletter on S'More and our HHS Homepage to ask parents for their feedback on this plan and on the use of funds for family engagement.

Who is it for?

All students participating in the Title I, Part A program, and their families are encouraged and invited to fully participate in the opportunities described in this plan. Hudson High School will provide full opportunity for the participation of parents and family members with limited English, with disabilities and of migratory children.

Where is it available?

This plan is sent home in the beginning of the year with the Annual Title I letter. It is also available on our website www.hhs.pasco.k12.fl.us and in the Title I Family and Community Binder located in the front office. Additional copies will be available at the school.

Parent and Family Engagement

Hudson High believes that family engagement means the participation of parents and family members in regular two-way, meaningful communication involving student academic learning and other school activities, including ensuring that:

- Parents play an integral role in assisting their child's learning.
- Parents are encouraged to be actively involved in their child's education at school.
- Parents are full partners in their child's education and are included, as appropriate, in decision-making and on advisory committees to assist in the education of their child.

School Parent Compacts

As part of this plan Hudson High and our families will develop a school parent compact. This is an agreement that parents, teachers, and students will develop that explains how parents and teachers will work together to ensure all students reach grade-level standards. The compacts will be updated annually based on feedback from parents, students, and teachers during the Title I family input meeting.
