Cobras, as you can see below, we have a lot of upcoming events to keep in mind. Especially if you still need Algebra or ELA testing for graduation. A separate message will be sent out with additional information for testing. With 7 weeks left of this semester, don't lose sight of what's important... **Graduation!**

Additional information/flyers will be sent out regarding Graduation specifics, Grad Bash, and Senior Activities. All decisions regarding appeals will be returned to you by April 4th.

Students will be receiving a graduation notification this month. This will confirm whether or not a student is eligible to graduate, may need summer school, or is not on track for graduation.

If you are taking an eSchool course, you must be at **least 80% done** with the course at this point. All DBAs are due by **April 25th** and final exams must be complete by **May 3rd**. There are **NO exceptions**.

Extended School Day has begun. Anyone can attend to recover past failed grades, work on current assignments, and some test prep. **ESD** is Tuesday and Thursday after school. Please see Mrs. Johnson regarding Extended School Day and signing up. **Academic lunch** is also open in the media center daily.
