

Hudson High School

# Senior Scoop

May 2024 Issue

## COBRA NEWS:

We finally made it to May! The last official month of your high school careers.

I am so proud of each one of you and cannot wait to watch you walk across the stage on June 1st.

Please pay attention to all social media accounts and especially your myStudent communication so you can stay up to date with important information.

For students who still need testing, please see the upcoming dates below.

For students who did not complete their eSchool course in time, we will be contacting you to discuss options as you will not be able to earn your full 24 credits.

If you have any specific questions about senior events or graduation, please ask sooner rather than later.

Extended School Day is still available for students who are falling behind. **ESD** is Tuesday and Thursday after school. Please see Mrs. Johnson regarding Extended School Day and signing up. **Academic lunch** is also open in the media center daily.

Please make sure you have passing grades! Any **Fs** in Quarter 4 could impact graduation status causing you to not be able to walk across the stage!!!

You got this! We're almost to the finish line!
