COBRA NEWS:

Welcome to High School!

We are so glad to have you at Hudson High as a Cobra!

Mrs. Johnson and I have worked together the last few years, graduating our seniors last year (class of 2024). We are excited to work with a new class of students and help them cross the important finish line that is graduation.

It's never too early to start thinking about your plans for how you'll get to graduation and what you plan on doing after graduation.

Good grades starts now. Remember, students **MUST** be **ON TRACK** for Quarter 1 in order to participate in the Homecoming dance & Homecoming Week activities.

We are relying on email communication through mystudent. Please make sure your parent portal is up to date. Please download the mystudent app for quick communication.
